The Defendant, by and through Counsel Undersigned, respectfully requests access to inspect the Clerk's complete file in P1300CR20081339, specifically the sealed and restricted documents referred to in the Clerk of the Court's Index, dated January 7, 2011, which was attached to the Court's "Order to File Index." The Defense has reviewed the Clerk's January 7 Index. The Index is not specific as to the titles of the documents (or any other specific identification). This is understandable, because a more specific identification of the documents that are under seal may have defeated the purpose of having the documents under seal. Nevertheless, in order to be as careful as possible with these sensitive documents, a cross-comparison of our list against the Clerk's Index is necessary. It will be necessary to open sealed envelopes to see the titles of the documents inside. Undersigned Counsel must compare what is on the Clerk's January 7 Index against the actual documents that are under seal within the Court's file before making the determination of what can be unsealed.

This Request should not be interpreted in any way as "opening the door" for the interveners, the state, nor any other party to join in on the necessary exercise of document inspection. The Defense is attempting to comply with the Court's Order to get the issue regarding the "un-sealing" of certain records resolved, which cannot be done without access to the Court's file. Counsel undersigned would request that any Court Order granting access to the Clerk's complete file in P1300CR20081339 be restricted solely to the following members of the Defense: 1) Greg Parzych; 2) Chelsea Rendon, and 3) Craig Williams.

It is further requested that the inspection be allowed to take place on March 22, 2011, at any time during business hours.

The state does not object to the Defense – alone – inspecting the documents referred to in the Index of restricted and sealed documents.

RESPECTFULLY SUBMITTED on March 15, 2011.
